## AUTOMOTIVE TECHNICIAN

### Job Expectations

#### Summary

Due to the busy schedule at the Neerlandia Co-op Service Center we are looking to grow our team and add another Automotive Technician. The Automotive Technician is responsible for the repair and preventive automotive maintenance.

### Primary Duties and Responsibilities

- Perform routine automotive maintenance tasks, including oil changes, tire rotations, and alignments.
- Diagnosing and repairing a wide range of light to medium duty vehicles.
- Communicating to advisor about the status of vehicles to keep customers informed.
- Using computerized testing equipment, conduct extensive diagnostic procedures to determine the sources of customers' problems and provide accurate repair recommendations.

#### Accountability

Automotive Technician will report directly to the Service Centre Manager

To align objectives with Neerlandia Co-op shared values, purpose, and vision

### Qualifications

#### Education and Experience

- Valid high school diploma or equivalent
- Apprentice or Ticket/Red Seal Certification
- Preference will be given to 3<sup>rd</sup>/4<sup>th</sup>-year apprentice or Journeyman

#### Knowledge, Skills and Abilities

- Ability to work independently and as part of a team environment
- Exceptional interpersonal skills and ability to build lasting relationships
- Ability to communicate effectively (verbal and written communication)
- High level of energy with strong customer service skills
- Ability to handle transactions accurately and be responsible

#### Benefits/Wage

- \$32-\$42 an hour
- Yearly bonus
- Paid vacation
- Pension plan with employer matching
- Health and Wellness Plan
- Dental and Health benefits

We thank all participants for their interest, however, only those who are selected for an interview will be contacted. Job posted till a suitable candidate is found.
